

Saxophonist Sam Rucker

Set List Information

Sam's setlist consists of songs from his albums, mostly original songs with a few popular covers. Sam rarely plays songs that are not on his albums, and he generally does not take requests nor allow for unplanned sit-in performers.

Sam's mission is to inspire, encourage and spread the Gospel message through music. His genres are Smooth Jazz, Gospel Jazz, and Gospel. The performance is mainly instrumental, and any lyrics are spiritual and positive in nature. It is a G-rated, family-safe show, and there will **not** be any vulgar, lude, or R-rated content considered for adults only.
